HOST COMMITTEE OPPORTUNITIES

Cocktails · Dinner
Performances · Art Auction

Celebrate art, industry, community, creativity, and fire, while supporting The Crucible's education programs.

Join us in celebrating the contributions and vision of honoree Dr. Frances Hellman, who has been a valued member of The Crucible's community for more than a decade.

In addition to an amazing industrial art auction, enjoy cocktails, a delectable dinner, and a spectacular theatrical vignette designed by Crucible Founder Michael Sturtz.

Your generous support of industrial arts education keeps The Crucible's fires burning. Please join us on April 8th!
